Crime is a Reflection of the Basic Social and Economic Health of a Community. Crime and the Perception of Crime are directly linked to Residents' Feelings of Safety and Security, and is an Important Element in determining the Quality of Life in a Community. The Incidence of Domestic Violence and Abuse is one Reflection of the Quality of Family Life. There is a Direct Link between a Healthy Community and the Incidence of Domestic Violence. The Number of Juveniles committing Crimes is a Sign of how well a Community (Families, Schools, and Other Organizations) is rearing its Young People, as well as an Indicator of how many Youths might be headed toward a Life of Crime. A Prosperous Community has an Adequate Supply of Jobs that generate Income Sufficient to pay for Basic Needs. The Unemployment Rate represents One Piece of a Complex Puzzle that helps us determine whether we're achieving this Goal...

Public Security is the Function of Governments / Local Authorities which ensuring the Protection of Citizens, Persons in their Territory, Organizations, and Institutions against Threats to their Well-Being and to the Prosperity of their Communities. To meet the Increasing Challenges in the Public Security Area, Responsible Public Institutions and Organisations can tap into their Own Intelligence to successfully address Possible Threats in advance. They optimise their Internal Structures, use Synergies, and carefully balance Costs and Benefits of their Measures.

The Public Safety Issues can include : Narcotic Use, Trespassing, Burglary, Harassment, Juvenile Delinquency, Unauthorized Living, Noise, Littering, Inappropriate Social Behavior, Inebriation, and Other Quality of Life Issues. Generally Organizations / Peoples can be involved in the Prevention of and Protection from Events that could endanger the Safety of the General Public from Significant Danger, Injury, or Property Damage, such as Crimes or Disasters...

- "FAKE NEWS - LA GRANDE PEUR" (Fake News - The Great Fear) by François-Bernard HUYGHE and Published in FRANCE by V.A. Editions. The Author is State Doctor in Political Science, Research Director at IRIS and teaches at CELSA Paris IV Sorbonne. He is Strategic Influence Specialist and Influential Blogger. Wrote several Books on Misinformation Issues.

Fake News is a Type of Yellow Journalism or Propaganda that consists of Deliberate Disinformation or Hoaxes spread via Traditional Print and Broadcast News Media or Online Social Media. The Term is also at Times used to cast Doubt upon Legitimate News from an Opposing Political Standpoint, a Tactic known as the Lying Press. The False Information is then often reverberated as Misinformation in Social Media, but occasionally finds its Way to the Mainstream Media as well

Fake News is written and published with the Intent to mislead in order to damage an Agency, Entity, or Person, and/or gain Financially or Politically, often using Sensationalist, Dishonest, or outright Fabricated Headlines to increase Readership, Online Sharing, and Internet Click Revenue. The Relevance of Fake News has increased in Post-Truth Politics. For Media Outlets, the Ability to attract Viewers to their Websites is necessary to generate Online Advertising Revenue. If publishing a Story with False Content attracts Users, this benefits Advertisers and improves Ratings. Easy Access to Online Advertisement Revenue, Increased Political Polarization, and the Popularity of Social Media,... have all been implicated in the Spread of Fake News...
